Don't know how to play? Don't worry – we'll teach you. It isn't too complicated & anyone can do it! Bocce is an Italian game. The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a pallina. Bocce, as a Special Olympics sport, provides an opportunity to have social contact, develop physically and gain self-confidence. After Soccer and Golf, Bocce is the most participated sport in the world.
