

FM CHALLENGERS BASEBALL LEAGUE

The Fargo-Moorhead Challenger Baseball League was formed to provide more athletic opportunities for children with special needs in the metro area, particularly in the age range of 5 to 18. Miracle Field has a rubberized surface, giving people with mobility challenges a safe place to play.

Scholarships are available for participants who live outside of the Moorhead area. Contact Jordan at 218.299.5078 for more information.
